CONSENT FOR SERVICES

As a condition of treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed unless other arrangements are made.

Patients with dental insurance understand that all dental services are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by your insurance company.

I understand that any fee estimate for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to by me in writing within the time payment is due. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

MISSED APPOINTMENTS: We feel that our patient's time is valuable. When your appointment is made, a room is reserved for you and prepared for your particular needs. Except for emergency treatment for another patient, you can expect us to be prompt. We, of course, would appreciate the same courtesy from you. We understand that emergencies may arise which may cause you to miss or be late to an appointment and we will take that into consideration. However, if you do not notify us, and fail to keep our reserved appointment, your account may be charged a fee of \$50.00. Keep in mind; our office hours are Monday – Wednesday from 7:00am to 5:00pm and Thursday from 8:00am to 2:00pm. The office is closed Fridays. We thank you for understanding.

____ I have read the information above conditions of treatment and payment and agree to their content.
